Who We Are

Central Pennsylvania Community Action, Inc. (CPCA) has served individuals and families in Centre and Clearfield Counties since 1965. We help meet basic needs and support long-term stability through housing, energy services, transportation, and food access.

Our Mission

Partners with individuals and families in Centre and Clearfield Counties to improve quality of life by addressing essential housing and health needs through coordinated, community-based services.

Our Vision

Our vision of Centre and Clearfield Counties continues to be one of thriving communities that offers safe and affordable housing, access to proper food and nutrition, housing and utility assistance, medical assistance transportation, and weatherization services by identifying and eliminating barriers for low-income individuals and families.

What We Do

- **Housing** – Safe, affordable housing and eviction prevention
- **Energy Services** – Weatherization and emergency heating assistance
- **Transportation** – Rides to medical care
- **Food Access** – Support for local food pantries
